

Goal of the game: Dodge as many cats as possible before dying. Score is based on how many cats there are on the field when you die.

Instructions on how to play:

- Move forward/backward with W(Up Arrow) and S(Down Arrow) respectively
- Rotating with A(Left Arrow) and D(Right Arrow) will turn the spray bottle with you
- The spray bottle protects the area in front of you (i.e. it acts as a paddle)
- Move the mouse up and down to look and aim where you shoot cats (balls) and where you can deflect the cats (balls)
- If you get hit by a cat, you die (i.e. the game closes)
- M will mute the music
- N will mute the sound effects
- Esc will close the game
- Score is displayed in the top left of the screen
